Dear Ms. Adams:

On 29 October 2018, the office of the Information and Privacy Coordinator received your 29 October 2018 Freedom of Information Act (FOIA) request which we have interpreted as a request for the following:

- 1) **FOIA Logs covering Fiscal Year 2016 to 2018.**
- 2) **Records and warrants for electronic surveillance and fusion center surveillance at State of Illinois fusion centers.**
- 3) **Any electronic or paper documents for which [you] are and have been placed on relating to the Joint Terrorism Watch List.**

We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

With respect to Item 1, our officers will review your request in more detail and will advise you should they encounter any problems or if they cannot begin the search without additional information or clarification. With respect to Items 2 and 3, we believe your request as written would more likely fall under the auspices of the **Federal Bureau of Investigation**. There is no central office in the government that processes requests for all federal agencies. Each agency responds to requests for its own records. Therefore, we believe you should submit those portions of your FOIA request to the following address:

**Federal Bureau of Investigation  
170 Marcel Drive  
Winchester, VA 22602-4843**

We hope this information is useful to you. We will search for records up to and including the date the Agency starts its search. In accordance with our regulations, as a matter of administrative discretion, the Agency has waived the fees for this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Allison Fong".
